RENTAL AGREEMENT FOR BRILLION SEEDER

I do hereby agree to rent the Brillion Seeder at \$8.00 per acre with a minimum charge of \$30.00. I assume full liability and responsibility for damages beyond normal wear and tear from the time I obtain the seeder until the next renter claims it or until it is returned to the centralized storage location.

I maintain general public liability insurance against claims for personal injury, death or property damage occurring upon premises or result of the use of the Brillion Seeder.

I further agree to use the seeder immediately, weather permitting, and not tie the machine up so that others are denied its use. The machine will be stored in the dry or tarped when not in use or it will be returned to the centralized storage location. The tarp will be removed when the seeder is being transported.

I agree to clean any remaining seed out of seed boxes. If upon inspection the seeder has not been cleaned sufficiently, there will be a \$25 charge added to the invoice.

I also agree to pay for the use of the seeder within 30 days from the completion of planting acreage and I understand that the seeder will not be rented to me again unless all previous charges have been paid.
